NOWCS BIRTHDAY PARTY

Our first volunteer opportunity was February 9th and we had a blast! Our volunteers had the opportunity to celebrate all of the February birthdays for our partner NOWCS. Strong City Tulane is excited to continue monthly birthday celebrations for the rest of the semester. Big thank you to our partner NOWCS for making this possible!

If you could not be in attendance, all meeting highlights are posted on our Instagram. Thank you to all of our amazing members.

Strong City held its first member meeting of the spring in the LBC Rathskeller lounge on February 9th. We had the opportunity to share the Strong City mission, multiple upcoming volunteer opportunities, and our NOWCS room fundraiser this semester to over 60 members! The Executive Board was so excited to see everyone and talk about Strong City while eating Raising Canes.

NOWCS ROOM FUNDRAISER

Strong City Tulane's semester long fundraiser is now underway! Our goal is to raise \$3,500 dollars to furnish a room for the New Orleans Women & Children's shelter!

With the help of our members, other students, alumni, and the New Orleans community, Strong City is confident we can reach our goal this spring. The donation link is in our Instagram bio and on our website.

Each month, we will provide an update in our newsletters about how much we have raised and how close we are to our goal. Let's do this!

MEMBER OF THE MONTH

MOTM is a new installment Strong City Tulane is implementing Spring 2023. The goal is to highlight a member of our club that embodies the Strong City mission each month!

Caroline Kemnitz

“Hi I’m Caroline! I’m currently a freshman and joined Strong City because I participated in a lot of service groups throughout high school and have always been really passionate about it. Strong City is the perfect way to keep that in my life while connecting with New Orleans and the people that live here.”
